In Dedication . . .

We honor a man who has served CHS as teacher, broadcaster of our teams' sports, friend, and, in general, a "good ole joe". Trademarked by his bow ties and cheery smiles, he has been an instrument of friendliness in the halls of CHS. We, the Senior Class of '68, dedicate the Spartan to... Mr. Ike Kearney.

The life of a student at CHS is packed full with exciting and memorable extra-curricular activities. Starting out as a freshman, he is surrounded by pep rallies, dances, ballgames, bonfires, and homecoming. As he matures into a sophomore, he embarks on a whole new life as a driver, and this opens up an entirely different realm of activities for him. Next comes the junior stage in his advancement, and class rings and the Jr.-Sr. Prom give him a whole new outlook on life. Finally, in his last stage as a senior, he realizes he is on top, and everything around him takes on new depth and meaning. Life at CHS is a wonderful experience for all!!!

Sparkling Spurts of Spirit

The Spartan Varsity Cheerleaders have outdone themselves this year in spirit and performance. They sold doughnuts and used the profit to purchase new suits, tambourines, and megaphones. The squad practiced long hours in order to execute new cheers, chants, and acrobatic techniques. The cheerleaders provided the spark which boosted our teams to victory.

The J.V. Cheerleaders are top row, left to right: Carol Crissman, Phyllis Jones, Chief; and Judy Younts. Bottom row, left to right: Stephanie Hedrick, Bonnie Smith, and Lynn Sink.

"We garter win!"

Outstanding marching and twirling characterized the '67 majorettes of CHS, who were sponsored by Mrs. Jane Bennett. They are left to right: Debbie Kepley, Jeanette Hedrick, Vickie Crotts, Chief; Vickie Parks, and Debbie Warfford, with mascot Suzanne Gallimore.

The band has a class period in which to practice. Here Mitzi Woodle, Gary Arnold, Debbie Beck, Connie Everhart, Vestal Motsinger, and Gordon Vaughters work hard to perfect a new song.

The Spartan band has been a vital part of our pep rallies. Here Mr. Prado conducts the band in one of their rousing numbers that never fail to bring everyone to his feet.

The color guard and banner carries added zest to the band. The color guard was composed of Barbara Perrell, Charlene Flynn, Debbie Briggs, Donna Hedrick, and Marie Beck. Linda Kinney and Linda Tussey were banner carriers.

Spirit of C. H. S. Set to Music

Connie Everhart, as drum majorette, has graced our band with beauty and poise as well as talent.

The band has played a very important role in school life this year. Among their many activities, they marched in the Lexington Veteran's Day parade, and the Christmas parades of Lexington, High Point, Thomasville, and Denton. Other activities included playing for elementary school programs and giving a Christmas concert for Central's P.T.A. Pep rallies, marching through the halls, and ballgame half-time programs have also kept them busy. Under the leadership of Mr. Carlos Prado, our band has reached new heights in their participation.

Band members are first row front to back: Marquehetta Harmon, Malette Poole, Dwayne Leonard, Debbie Beck, second row: Eleanor Pickett, David Young, Robert Pickett; third row: Susan Fritts, Marian Trexler; fourth row: Connie Everhart, Dwight Leonard, Jon Gurley; fifth row: Allen

Money, Money, Money

In order to assist in financing school projects such as the Junior-Senior Prom and to help needy families in the area, the school sponsors the magazine and candy

sales while the National Honor Society heads the White Christmas drive. The Balfour company sells class rings and graduation invitations to the students.

dents. The "Countdowns" provided the music amid the Christmas decorations. A good time was had by all.

Everyone could have danced all night.

Intermission was enjoyed by all.

Hard Work Brings Honor to C. H. S.

The spirit of CHS is exhibited in various ways. The members of each class work together on projects to boost school spirit. All of the fine Spartan athletic teams give a part of themselves in time and effort to bring honor to dear ol' CHS. Teachers display this spirit as they are willing to give a little more than what is expected of them. Freshmen, sophomores, and juniors show the spirit of respect, as they honor the mighty seniors!

Bonfire and Class Floats Boost Homecoming Spirit

Every student at CHS was caught up in the excitement of Homecoming '67. The members of the homecoming court were chosen by each position of the football team, and the senior sponsors represented the senior players on the team. The members of each class were busily working on a float and trying to keep their ideas a secret. On Thursday night a pep rally and bonfire was held in the school parking lot. Homecoming week was climaxed on Friday night by a rousing victory over the Tigers of Randleman.

The winning Junior float was entitled "Make Kitty Paws out of Tiger Claws."

A huge homecoming bonfire helped boost the Spartans to a 27-7 victory over Randleman.

Our "Summer Place"

The Junior-Senior Prom, presented by the juniors in honor of the seniors, is always a long awaited and long remembered event. Palm

trees, sea shells, and a beach scene carried out the theme of "A Summer Place", while the Jokers Six and the Marlboros played swinging music.

Pretty Girls Bloom in May

The month of May ushers in the May Day Festivities at CHS. On the first Saturday in May, the students from CHS, as well as students from the surrounding elementary schools, gather at Central for a full day's activities. During the morning, relay races and lawn games are held in which everyone may participate. The afternoon is highlighted by the presentation of the May Court and the crowning of the May Queen. Each of the four elementary schools in the district provides a delightful program of entertainment for the queen and her court. Of course, the afternoon would be incomplete without the traditional May Pole Dance. The Spartan Boosters Club provides delicious barbecue chicken for the noon and evening meals. The May Day activities are climaxed with a play presented by the Drama Department.

Graduation . . . A Trace of Tears Among Smiles of Joy

Graduation----that golden dream which climaxed twelve long years of hard labor, finally became a re-

ality for the Spirited Seniors of '68. For some it meant separation which brought sadness, but for others it

meant freedom which brought gladness. Graduation launched the Seniors on the road of life.

The Future Teachers of America Club is composed of students who wish to become teachers. This year various speakers have talked to the members about different colleges and college life. During National Education Week the teachers were given small gifts each day, including a tea on Wednesday and flowers

Music Charms the Savage Beast

The Spartan Chorus has distinguished itself in many ways. The members presented an inspiring candlelight service at Christmas for the students. They also sang for Dacotah Mills Children's Christmas Party, and the Central Carolina

Civitans Christmas meeting. The chorus has sung at the elementary schools, and for their P. T. A. meetings. Every year the chorus sings for the Baccalaureate and Graduation exercises.

The national debate topic for this year is resolved: That Congress should establish uniform regulations to control investigation procedures. The class attended the Debate Tournament at Wake Forest in February, and they sponsored a Round Robin in March.

After weeks of preparation in-

day, one can observe members of the chess club as they whip out their miniature chess boards and begin to play.

Under Mrs. Crotts' capable leadership, the members of the Science Club learn about science, scientists,

science careers, and science opportunities and responsibilities. They are kept up-to-date with current happenings in the world of science. These future scientists are constantly reminded of the important role science plays in our democracy.

Asheboro. The members of the French Club also attend the French Play in Greensboro.

The Spanish Club is one of the most interesting clubs at Central. It is composed of students taking Spanish who wish to learn more than

what is taught in the classroom. This year the members have made Spanish costumes, learned Spanish songs and dances, and participated in skits. The club also made several pinatas, which provided lots of fun for the Spanish classes at Christmas.

As far as sports are concerned CHS is number one. The students supported each Spartan team with a spirit that has never been equaled in previous years. Since this was Central's last year in the CCC, the football team out did themselves in performance. The battle for the championship went right down to the wire until the last game of the year against West Davidson, which ended in a tie. With the start of basketball season, CHS made its debut into the North Piedmont Conference as a 3-A school. Our Spartan basketball teams proved themselves to be worthy opponents immediately taking the Conference leads in typical Spartan fashion. The wrestling team gained many fans this year convincing the students that this sport is every bit as exciting as basketball. As winter drew to a close CHS focused its attention on the spring sports—baseball, track, and golf.

Spirit

of Sportsmanship

Behind Every Famous Athlete . . . There's a Coach

The spirit of CHS is instilled in each of our coaches, and this spirit is passed along to the athletes. The coaches at CHS strive to have winning teams, yet they maintain "it matters not whether you win or lose,

it's how you play the game." The members of the coaching staff at CHS are concerned with each athlete, and they take time to work individually with these athletes in

order to develop the player's potential talent to the fullest extent. The coaches at Central have become true friends of the athletes with whom they come in contact.

The Coaching Staff of Central includes: Mr. Stan Hedrick, Mr. Jerry Hampton, Mr. Ronald Gooch, Mrs. Mary Newton, and Mr. Mack Mast.

CHS Leaves CCC with a Bang!

Making their last appearance in the Central Carolina Conference, the Central Spartans compiled a successful conference record of 4-1-1. Although it takes a full squad to produce a winning team, several players received individual honors. Recognized for All-Conference play were Jeff Lookabill, Doug Hunt, Keith Trexler, and John Carrickhoff. Honorable mention went to Dwight Roberts, Rodney Grubb, and others. Leading the team in number of tackles were Jeff Lookabill and Keith Trexler. Doug Hunt received most passes while Dwight Roberts, Keith Smith, Doug Hunt, and Steve Parks shared in the scoring of numerous touchdowns.

After many weeks of sweat and hard work the Central Spartans began their final season of play in the CCC with an inspiring 25-0 victory over Trinity. The next week in non-conference action the Spartans suffered their first defeats of the season by Monroe and Mt. Airy. A win over Ledford kept the Spartans undefeated in conference play. Keith Smith put Central on the scoreboard against Denton in the first quarter of play, but the Denton defense held the Spartans scoreless in the second quarter. The Central Spartans came on strong in the second half scoring six touchdowns to win 46-0. Rodney Grubb's three scoring passes lead Central to a 27-7 win over Randleman to thrill the Homecoming fans. East Davidson flanked Central in an important conference game with the score 13-7. In an exciting non-conference meet arch-rival North Davidson defeated Central 25-0. The following week Liberty defeated Central 27-7. John Carrickhoff scored Central's only touchdown in the second period of play. To end the 1967 season the Spartans met West Davidson for a championship thriller. Steve Davis, Doug Hunt, and John Dollard received touchdown passes from Rodney Grubb. Steve Davis ran the extra point. The game ended in a 19-9 tie with Central winning second place honors.

Super Bowl, Here We Come

Football at Central in the North Piedmont Conference will be bringing many new and exciting challenges. Each boy knows that a lot of time, work, and sweat is expected of him now that they will be

playing new and stronger teams.

All boys begin practice in early August to get in shape for the upcoming season. There are always new rules and plays to be learned in

order to have a winning team.

Our Freshman team, working to someday be members of the Varsity squad, proved their title as Spartans with a 3-4 record.

CHS

Smashes into NPC in '68

Central's Lady Spartans began practice in early November to prepare for the challenges in the North Piedmont Conference. Coached by Mrs. Mary Newton, the team came through with many victories. Although snow interrupted mid-season play, the Spartan lassies were not found cold. The thriller of the regular season play was with the defeat of the unbeaten North Stanley team. Congratulations girls on a successful season!

Central's mighty Spartans led by Coach Mack Mast finished the season in fine fashion with a 19-5 overall record. The team displayed hustle, aggressiveness, and teamwork throughout the season to establish their high standing in the North Piedmont Conference. The Spartans placed second in the conference and second in the tournament playoffs. Boys making the All-Conference Team were Terry Mayhew and Harold Hoover. Harold was also selected to play in the Marion Civitan Classic All-Star game. Our congratulations go to the team and coaches.

Terrors of the Mat

In Central's second year of wrestling, the team has improved tremendously. Central has won a match, beating Starmount by a score of 30-26. Another example of the improvement is shown by the score of this year's match with Lexington. Last year the score was 58-5 in Lexington's favor as compared to

this year's score of 26-24.

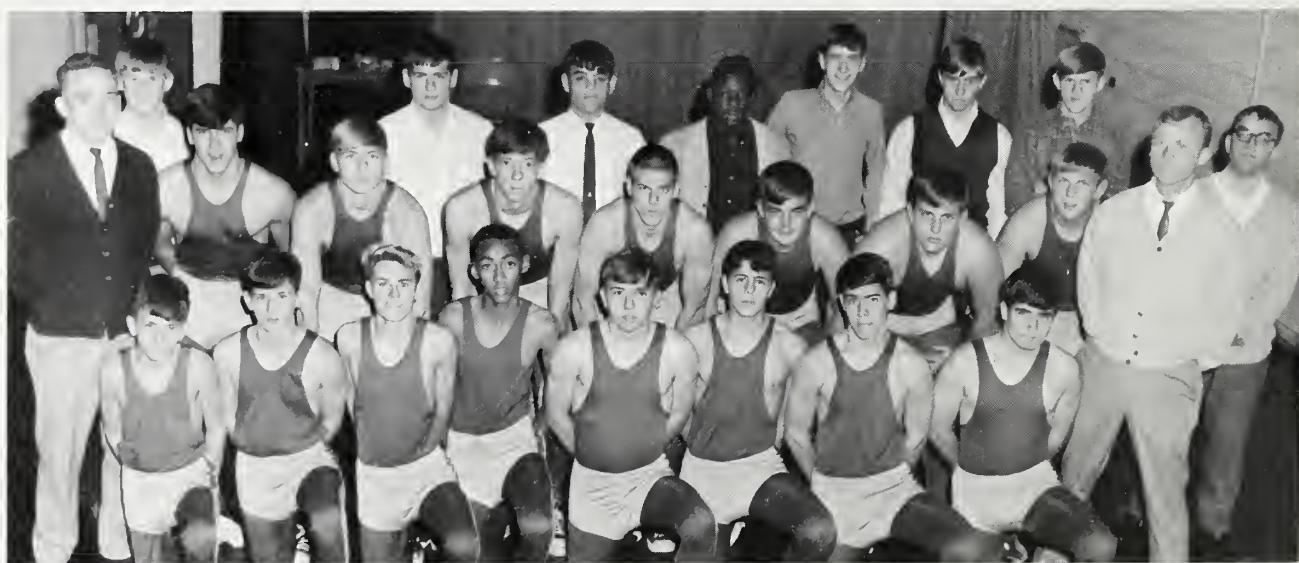

Several Central boys have very good individual records, and all of the boys have shown improvement in the four basic things required to be a good wrestler: aggressiveness, desire, knowledge of holds, and strength.

"Batter Up"

Our 1967 baseball team, coached by Mr. Mack Mast, ended the season with an overall record of 6-8. The team suffered the loss of many of their players and was composed mostly of sophomores and juniors. The Spartan's outstanding

game of the season was the upset win over top-seated West Davidson with a score of 10-2.

Central's 1968 baseball team is coached by Mr. Jerry Hampton. Although the team is young, they have the ability to be winners.

Cindermen of Central

Last year's track team won the conference title, and then beat North Davidson by one point in the Conference Track Meet. The 1967 track team was led by Reid Lookabill, David Brewer, and Ricky Cross.

This year's concentration will be on developing individual skills for

the Conference Track Meet. Steve Davis is expected to excel at the broad jump, 100 yard dash, and 220 event. Dwight Roberts, Tommy Farrell, Pete Pickett, Rodney Owens, and Keith Trexler possess potential talent and could produce a record-breaking season for CHS.

Doug Hunt clears 5'8" in high jump at Lexington Senior High.

Steve Davis measures 21'2" in broad jump for Central.

The Track Team from left to right; first row: Coach Stan Hedrick, Rodney Owens, Tommy Farrell, Steve Kepley, and Randy Davis. Second row: Rodney Decker, Don Myers, Albert Styers, Barry Smith, Doug Snyder, and Mike Tarleton. Third row: Samuel Pickett, Jimmy Renas,

Freddie Miller, Rickie Embler, Doug Hunt, Dwight Roberts, and Earl Lookabill. Fourth row: Steve Davis, Pete Pickett, Robert Pickett, Joe Hargrave, Kenneth Cross, and Keith Trexler.

Game on the Green

The 1968 Spartan golf team will move into a larger and stronger conference. This will be a real test for the Spartan team although only one player was lost from last year's fourth place team. Although the Spartans finished low in last season's tournament, this year's team should

make a respectable showing. Experienced players such as Ikey Trexler, Harold Hoover, David Young, Phil Hedrick, and Eddie Putnam should take the Spartan team high in the ranks of the new conference.

Harold Hoover swings "Down in the Sand dunes."

Phil Hedrick plays "peek-a-boo" behind the trees.

The spirit of the men and women that guide CHS has increased to match the growing vivacity and spirit of the students themselves. In the past years, our teachers have constantly proved to be more than mere instructors—they are our friends. This day and age places more responsibility on the faculty than ever before, and the teachers at CHS have risen to meet the situation magnificently. While most of them have families and problems of their own, they are never too busy to help one of us overcome some difficulty. The spirit of CHS is displayed continually in the lives of our faculty members.

Spirit

of Guidance

Administration Sets Goals for Progress

Words can't describe a person such as our principal, Mr. Young. If anyone displays the true spirit of CHS, he does. The welfare of the school is constantly on his mind, and he is continually striving for ways to make the school better. With Central's student body increasing as it has the past year, Mr. Young's responsibilities have doubled. Yet

busy as he most certainly is, he is never too busy to talk to any individual student about a problem. Mr. Young can be found at all sports activities urging the Spartan teams on to more victories. He has been the true leader of the spirit of CHS in '68. To the Number One principal of the Number One School, CHS says "thanks!"

The advising of students in their futures has been a great responsibility for Mr. Young.

A familiar sight.

Mr. D. H. Young, principal.

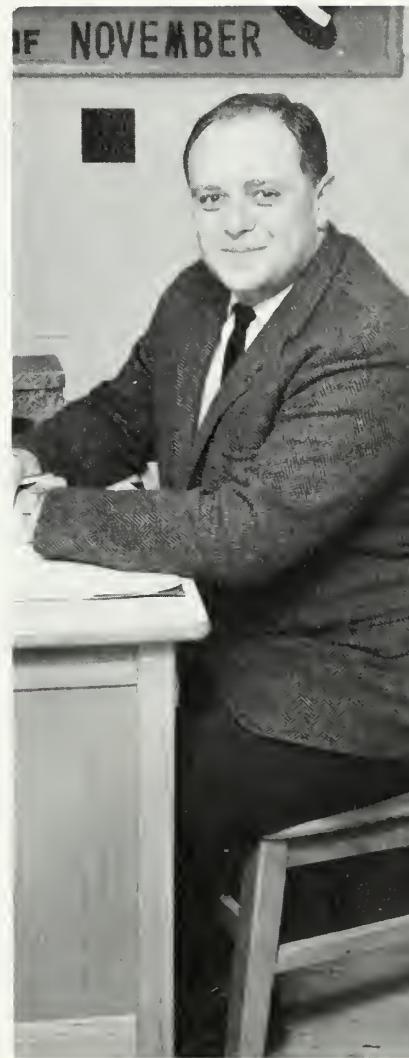

Recognition for Background Workers

Two of the most invaluable people at CHS are Mr. Hodges and Mrs. Michael. The priceless duties they perform aid Mr. Young as well as each of the students. Mrs. Michael is an expert when it comes to straightening out the many little problems that pop up each day at

Central. She is constantly bombarded with students buying lunch tickets or asking questions. Mr. Hodges is kept busy signing tardy passes and excuses. His jolly smile and outgoing personality make him popular with every student at CHS.

Mrs. Michael has proven to be a valuable person at CHS. She performs many necessary tasks which often go unmentioned. CHS thanks you for your faithful service throughout the year.

Mr. James Hodges has very ably served as Assistant Principal this year and past years. He has been more than a teacher to many of our students. He is always there to help counsel students and provide a listening ear.

Providers of Guidance and Research

Often those who do the most for us are taken for granted. The following people render invaluable service to the students of CHS. Mr. Newman counsels periodically with all students on the subjects of personal and academic problems, ca-

reers, and college. Mrs. Hedrick has proved to be an advisor as well as a friend to the girls of Central. Mr. Ritter helps many students locate books and other sources of research in the library.

Mr. Wilbur Newman, as Guidance Counselor, has been of invaluable assistance to the students of CHS. Among his many duties of advising and counseling students in their vocations and choice of colleges, he is always there when one needs a friend.

Mrs. Susan Hedrick, as Dean of Girls, is always willing and ready to advise students in all matters, academic and non-academic. Her unselfish striving to make CHS the best has been recognized and appreciated by all.

Mr. Ronald Ritter, serving as librarian of Central, has been a great asset to our school. The addition of new books and audio-visual equipment to our library has been an invaluable aid in the never-ending search for knowledge.

They Pave the Way for Learning

The operation of a high school such as Central would be impossible if it were not for people such as the county superintendent, high school supervisor, and the members of the local board. These people set the rules and regulations which keep the

school running smoothly. They periodically visit the school for observation, and they also attend many of the school social and athletic functions. CHS appreciates their interest and concern.

The members of the local board are left to right: Mr. Allen Godwin, Mr. Carlie Beck Mr. Luther Pickett, and Mr. Terry Ward.

Mr. E. L. Brown, Superintendent of County Schools.

Mrs. Carl Brinkley, High School Supervisor.

Mr. C. F. Huffman, Assistant Superintendent.

English Fosters Culture While

The English Department offers to the students studies in literature, grammar, creative writing, public speaking, and vocabulary. The addition of English V has been valuable to those students preparing for

college. Shakespeare, Hawthorne, Poe, Dickens, Webster, and Hardy have become familiar figures to the students. English has become an important and interesting course for all.

Left to right: Mrs. Nell Sharpe, Mrs. Carolyn Stiffel, Miss Rhonda Robbins, Mrs. Patricia Anderson, Mrs. Susan Hedrick, Mrs. Martha Power, and Mrs. Jane Bennett.

The tools of English are paper, pencil, eraser, projects, themes, text books, library books, and that all important dictionary.

Languages Explore New Cultures

The Foreign Language Department offers to the students of CHS four-year courses in Spanish and French. Dialogues, use of tapes, filmstrips, movies, and studies of the countries aid the students in the learning about other countries and

their languages. Each student upon completion of these courses feels secure in the knowledge that he can communicate fluently with other Spanish and French speaking peoples.

Newspapers, magazines, songs, tape recorders, flags, dances, and posters aid considerably in the understanding of foreign languages.

Left to right: Mr. Charles Bennett, French I, II and III and Mrs. Norma Shoaf, Spanish I, II, III, and IV.

Science Solves Mysteries of Life While

The Science Department plays a very important role in the curriculum. Courses in general science, physical science, biology, chemistry, and physics offer the student a well-rounded program in the

mysteries of life and man. The use of slides, microscopes, specimens, and audio-visual equipment assist the student in the learning and understanding of what life is and why

it exists. Knowledge about plants, animals, planets, and the unknown project the student to the future and what new inventions and discoveries it holds for man.

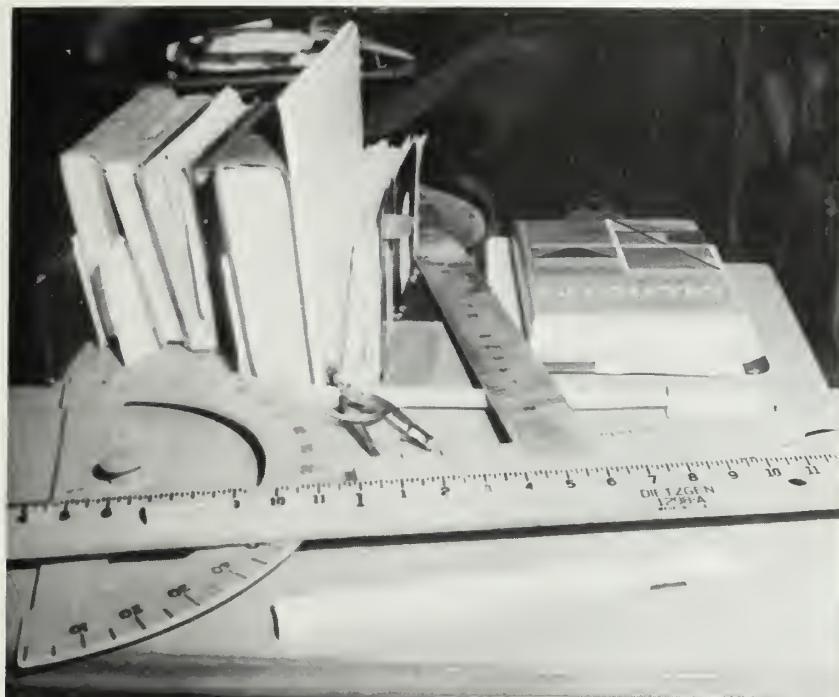

The equipment contained in the science department is invaluable in unlocking the doors to discovery about our world.

Science instructors include left to right: Mr. Mack Mast, Physical Science; Mrs. Jane Crotts, Chemistry, Physics; Mrs. Margaret Hunt, Physical Science; and Mr. Jerry Hampton, Biology.

Math Promotes Reasoning and Achievement

Compasses, cones, equations, protractors, slide rules, graph paper, and square roots aid considerably in calculations.

Mathematics, in general, has become a very important focal point in the world today. Our Math Department is no exception. Algebra, geometry, advanced math, general math, and consumer math challenge the students to use their powers of reasoning. Each student is presented with the fundamentals, and these, requiring complete accuracy, encourage the achievement of more difficult problems. With math playing such an important role in society today, the students of CHS must be prepared to meet the demands of the world in which they live.

Left to right are Mr. Clayton Swicegood, algebra and geometry; Mrs. Mary Newton, general math; Mrs. Margie Yokeley, algebra and geometry; Mrs. Jane Crofts, advanced math and general math, and Mr. Ronald Gooch, consumer math.

P. E. Builds Able Bodies . . .

The value of physical education to today's youth has been emphasized throughout the country. Central's Physical Education Department has gone along with this conception by the addition of a girls' and boys' advanced P.E. class. Volleyball,

basketball, touch football, paddle tennis, gymnastics, and softball all contribute to the production of healthy and able bodies. Our P.E. department is constantly broadening itself so that all students will be physically as well as mentally alert.

Health and Physical Education instructors are left to right: Mr. Mack Mast, Health and P.E., Mrs. Mary Newton, Health and P.E., and Mr. Ronald Gooch, Health and P.E.

Equipment of the games are volley balls, basketballs, softballs, and other such essentials.

While Social Studies Create Aware Minds

CHS is able to boast of one of the finest social studies departments anywhere. Under capable teachers, the students are exposed to the histories of past civilizations and are given the opportunity to study the mistakes of past generations. History

students at Central are taught to think for themselves on subjects ranging from communism to the evolution of man. Students are also kept up to date on current happenings in the world today.

Central's newest World History instructor, Mr. Robert Holcombe.

Social Studies instructors are, left to right: Mr. James O. Hodges, U.S. History, and Economics and Sociology; Mrs. Jacqueline Inman, World History, Current Affairs, and Debating; and Mr. Hayden Thomas, U.S. History.

Business Education Tests Abilities, Taxes Manicures

The business department at Central is perhaps one of the most important. The students master invaluable skills as typing and shorthand. These skills almost promise a graduating student a sure job as a

secretary or some other office worker. Students know their chances of being hired are greatly increased due to the education received in this field. The teachers of business education at CHS are to be com-

mended for their outstanding work for the welfare of their students. They make sure the pupils get a thorough understanding of the world of business, while giving them practical experience whenever possible.

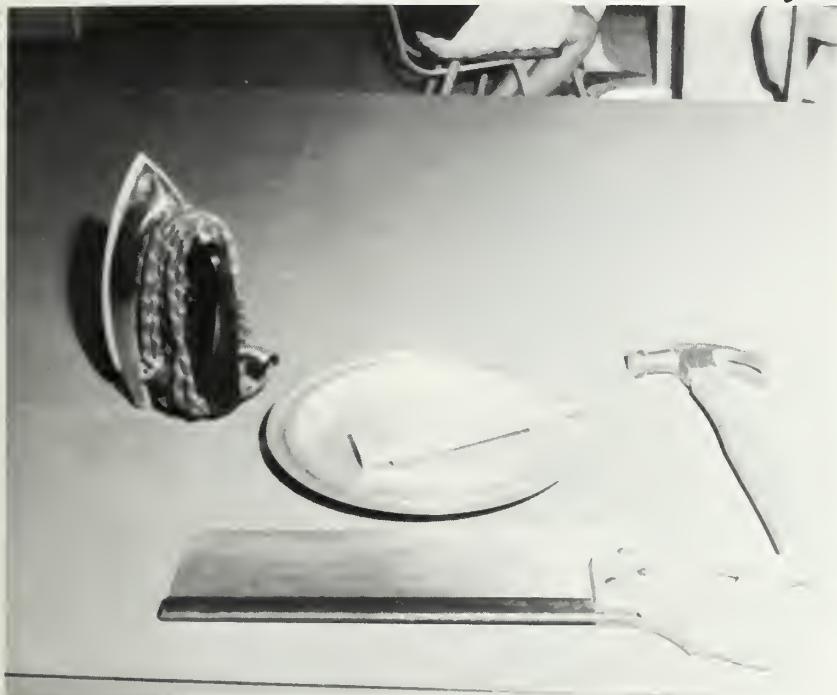

Miss Brenda Aultman teaches Short-hand, Notehand, Office Practice, and Bookkeeping.

Business instructors are, left to right: Mr. Glen Garmon, Typing and Basic Business; and Miss Elaine Knotts, Typing.

Girls Build Homes While Boys Build Houses

The vocational department at Central has increased to take in the subjects of Printing, Trades and Crafts, Home Economics, Agriculture, Horticulture and ICT. Students are given the opportunity to learn to work with their hands and how to build a home after graduation. Students taking these courses are those not planning to go to college, but wish to know how to do certain jobs so they'll have a vocation waiting for them after graduation. These courses are especially valuable to the students at CHS, because they prepare them for a better life.

The vocational instructors are, left to right: Mr. D. D. McQuire, Printing; Mr. N. Gambrell, Trades and Crafts;

Miss Brenda Hines, Home Economics; Mr. Ike Kearney, Agriculture; and Mr. Don Hedrick, ICT.

The Finer Things of Life

CHS offers courses of study which require special talent and ability. The art class, just organized this year, is made up of certain gifted students who are able to draw. These students, already bursting with natural ability, are taught the basic fundamentals of art. They have

treated students at CHS from time to time with beautiful displays on bulletin boards in the halls. The band is composed of students with a knack for rhythm. They work hard and entertain the students at pep rallies and assemblies.

Mr. Carlos Prado

Mrs. Jane Bennett

Mr. Dean Slabach

Driving Skill Develops

Driver's Education is a must for all students at CHS due to state laws concerning the licensing of teenagers. These students receive classwork first in which they learn the mechanics of the automobile, and

state rules, and regulations of driving. After the students pass the classwork, they enter the roadwork which involves practical driving experience.

Staff Helps School Run More Efficiently

Many people work behind the scenes to keep CHS running smoothly. The custodians labor long hours before eight o'clock in the morning

and after three o'clock in the afternoon to keep our building clean and beautiful. The cafeteria staff is constantly striving to plan and serve the

delicious meals each of us receive. The aides stay busy running off tests, grading papers, and filling in for absent teachers.

Our custodians are left to right: Miss Bowers and Mr. and Mrs. Hubert Styers.

Mrs. Judy Sturdivant performs one of her many duties as teacher's aid.

Mrs. Treva Greer often stands in for teachers who must be elsewhere.

The cafeteria staff include, left to right: Mrs. Bessie Floyd, Mrs. Annie Mae Miller, Mrs. Mary Briggs, man-

ager; Mrs. Betty Ann Harvey, and Mrs. Edna Rhodes.

The students—freshman, sophomore, junior, senior—compose the spirit of CHS. The talents of these students are many and varied. Yet every student shares one common characteristic—pride in their school. Whether it be on the football field, participating in club meetings, contributing to the White Christmas Drive, or just everyday observation of the rules at CHS, each student displays his pride.

Ab, Young Freshmen-Three Years To Go!

The entrance into high school is a mysterious and wonderful adventure for freshmen. They enter into an active world filled with dates, ballgames, new friendships, pep rallies, dances, bonfires, and

of course, study. This is the year they will always remember—the year they embarked upon a life as a young adult. Only three more to go, and all that will be left are those lingering memories.

Class Officers are left to right: Mike Mayhew, President; Jimmie Davis, Vice-President; Stephanie Hendrick, Secretary; and Donna Ball, Treasurer.

Sophomores Get into the

Becoming a sophomore in high school holds many exciting undertakings. The attainment of a driver's license is the high point of the year. Next in importance is being a sophomore waitress or waiter at the Junior-Senior Prom. Sophomores have attained much esteem around

school and therefore, are active in all school activities. Sophomore athletes make up the majority of all CHS'S junior varsity teams. As sophomores, they have two more glorious years to look forward to. Thanks sophomores, for being a great asset to CHS.

Class of '68

Here we are at last—mighty, mighty, seniors. Phew !! It's been an exciting and eventful four years. Now we are facing graduation full in the eye, and we aren't so sure this is what we want. The world has changed so much around us, and we've become the "In" generation. But is this what

we want? Our whole future lies before us, and how can we be sure of what it holds? To all the under-classmen we say—may you have many good times at CHS, but remember—use your time and abilities wisely for time has a habit of slipping by. Good-bye dear old CHS!!

Class officers are left to right: Marie Beck, Representative; Linda Kinney, Treasurer; Cheryl McCarn, Secretary; John Hall, Vice-President; and Terry Mayhew, President.

The publishing of an annual has many facets, among these the community. In the selling of advertisements this year, the surrounding community has helped us excel beyond all previous years. Without this community interest and financial support, our annual would be nonexistent. Their patience in having their establishments photographed and in deciding on layouts has been of a great help. We, the annual staff, wish to take this opportunity to thank them.
